A Subsidiary of PETRONAS Chemicals Group

Notification of Site Office Relocation

Dear Valued Business partner,

We are pleased to inform you that BRB International B.V. will be relocating its corporate office to a new location as part of our continued commitment to supporting future growth and enhancing our operations.

Effective from **1st of November 2026**, our new address will be:

BRB International B.V.
Afrikastraat 10
6014 CG Ittervoort
The Netherlands

We kindly request that you update your records and systems accordingly. Please ensure that all correspondence, invoices, payment documentation, and other mail are directed to our new address from the effective date onward.

We would like to emphasize that this relocation does not affect our manufacturing activities, products, or services. The relocation of Production facilities and QC laboratory will follow later in 2027.

Please note that:

- The relocation will not result in any changes to manufacturing processes, formulations, quality control procedures, or product specifications. Consequently, there will be no impact on product quality, performance, or specifications.
- To ensure uninterrupted service and supply throughout the transition period, your Account Manager or regular BRB contact person will be available to discuss any planning requirements or other necessary arrangements.
- All existing telephone numbers, email addresses, legal entities, VAT numbers, banking details, and contractual agreements will remain unchanged.

We are committed to ensuring a smooth transition and maintaining the high level of service you expect from BRB. Should you have any questions regarding this relocation, please do not hesitate to contact your BRB representative.

Thank you for your continued partnership and support. We look forward to serving you from our new location.

Kind regards,

Shahrom Bin Yusuf - CEO Silicones
BRB International B.V.
